PURPOSE

To ensure school staff understand their supervision and yard duty responsibilities.

SCOPE

This policy applies to all teaching and non-teaching staff at Upper Ferntree Gully Primary School, including education support staff, casual relief teachers and visiting teachers.

POLICY

Appropriate supervision is an important strategy to monitor student behaviour and enables staff to identify and respond to possible risks at school as they arise. It also plays a vital role in helping schools to discharge their duty of care to students.

The Principal is responsible for ensuring that there is a well organised and responsive system of supervision and yard duty in place during school hours, before and after school, and on school excursions and camps and other school activities.

School staff are responsible for following reasonable and lawful instructions from the Principal, including instructions to provide supervision to students at specific dates, times and places. Supervision should be undertaken in a way that identifies and mitigates risks to child safety.

Before and after school

Upper Ferntree Gully Primary School's grounds are supervised by school staff from 8:45am until 3:45pm. Outside of these hours, school staff will not be available to supervise students.

Parents and carers will be advised through COMPASS that they should not allow their children to attend Upper Ferntree Gully Primary School outside of these hours. Families will be encouraged to contact the School Office on 97581527 for more information about the before and after school care

If a student arrives at school before supervision commences at the beginning of the day, the Principal or nominee staff member will, as soon as practicable, follow up with the parent/carer to:

- advise of the supervision arrangements before school
- request that the parent/carer make alternate arrangements.

If a student is not collected before supervision finishes at the end of the day, the Principal or nominee staff member will consider whether it is appropriate to:

- attempt to contact the parents/carers
- attempt to contact the emergency contacts
- place the student in an out of school hours care program (if available and the parent consents)
- contact Victoria Police and/or Child Protection to arrange for the supervision, care and protection of the student.

Yard duty

All staff at Upper Ferntree Gully Primary School are expected to assist with yard duty supervision and will be included in the weekly roster.

The School Admin is responsible for preparing and communicating the yard duty roster on a regular basis. At Upper Ferntree Gully Primary School, school staff will be designated a specific yard duty area to supervise or to supervise students who require supervision at break times.

Students leaving school premises

[The principal is responsible for approving any request for a student to leave the school premises, including during recess and lunch time. Students under 18 must have written permission from a parent or carer. All students leaving the school premises must be signed out by a responsible person who is available on the students contact list.

Yard duty zones

The designated yard duty areas for our school include the basketball court and concrete play area, the 4-square area and at various times the school oval.

Area	Location
Area A	Basketball Courts and concrete area
Area B	4-Square Courts
Area B	School Oval (Summer Spring)
Quiet Area	Library (2 nd half recess/lunch)

YARD DUTY AND SUPERVISION POLICY

Yard duty equipment

School staff must:

- wear a provided safety/hi-vis vest whilst on yard duty. Safety/hi-vis vests will be stored with individuals or in the staffroom.
- carry the yard duty first aid bag at all times during supervision. A yard duty first aid bag will be available in the staff room.
- Be familiar with the yard duty information pack containing student health and safety information stored in the Inclusion spreadsheet
- Carry a mobile phone for communication

Yard duty equipment must be returned after the period of supervision or handed to the relieving staff member.

Yard duty responsibilities

Staff who are rostered for yard duty must remain in the designated area until they are replaced by a relieving staff member.

During yard duty, supervising school staff must:

- methodically move around the designated zone ensuring active supervision of all students
- where safe to do so, approach any unknown visitor who is observed on school grounds without a clear legitimate purpose, and ensure they have signed in at the school office (excluding drop off and collection periods)
- ensure students remain in the supervised areas
- be alert and vigilant
- intervene immediately if potentially dangerous or inappropriate behaviour is observed in the yard
- enforce behavioural standards and implement appropriate consequences for breaches of safety rules, in accordance with any relevant disciplinary measures set out in the school's Student Engagement and Wellbeing policy
- ensure that students who require first aid assistance receive it as soon as practicable
- log any incidents or near misses as appropriate on COMPASS

If being relieved of their yard duty shift by another staff member (for example, where the shift is 'split' into 2 consecutive time periods), the staff member must ensure that a brief but adequate verbal 'handover' is given to the relieving staff member in relation to any issues which may have arisen during the first shift.

If the supervising staff member is unable to conduct yard duty at the designated time, they should contact School Admin or the Principal with as much notice as possible prior to the relevant yard duty shift to ensure that alternative arrangements are made.

If the supervising staff member needs to leave yard duty during the allocated time, they should contact the Principal but should not leave the designated area until the relieving staff member has arrived in the designated area.

If the relieving staff member does not arrive for yard duty, the staff member currently on duty should call the Principal or send a message to the staff room and not leave the designated area until a relieving staff member has arrived.

Students will be encouraged to speak to the supervising yard duty staff member if they require assistance during recess or lunchtime.

YARD DUTY AND SUPERVISION POLICY

Classroom

The classroom teacher is responsible for the supervision of all students in their care during class.

If a teacher needs to leave the classroom unattended at any time during a lesson, they should first ensure that there is an appropriate staff member to supervise or contact the school office for assistance. The teacher should then wait until a replacement staff member has arrived at the classroom before leaving.

School activities, camps and excursions

The Principal and leadership team are responsible for ensuring that students are appropriately supervised during all school activities, camps and excursions, including when external providers are engaged to conduct part or all of the activity. Appropriate supervision will be planned for school activities, camps and excursions on an individual basis, depending on the activities to be undertaken and the level of potential risk involved, and will follow the supervision requirements in the Department of Education [Excursions Policy](#).

Digital devices and virtual classroom

Upper Ferntree Gully Primary School follows the department's [Digital Technologies - Responsible Use policy](#) with respect to supervision of students using digital devices.

Upper Ferntree Gully Primary School will also ensure appropriate supervision of students participating in remote and flexible learning environments while on school site. In these cases, students will be supervised in a break out space within visible and hearing distance to a supervising staff member.

Students requiring additional supervision support

Sometimes students will require additional supervision, such as students with disability or other additional needs. In these cases, the Principal or delegate will ensure arrangements are made to roster additional staff as required. This may include on yard duty, in the classroom or during school activities.

Supervision of student in emergency operating environments

In emergency circumstances our school will follow our Emergency Management Plan, including with respect to supervision.

In the event of any mandatory period of remote or flexible learning our School will follow the operations guidance issued by the Department.

Students moving around the school

Students will be supervised by an adult when required. When students are performing tasks such as collection from the office or needing to collect things from other rooms, they will always be in pairs. Students going to the toilet will attend in pairs.
